years

[WOLF Medizintechnik GmbH](#)

ESTRO 2nd FORUM ,  
19.04.- 23.04.2013  
Geneva Switzerland

Conventional superficial and orthovoltage x-ray therapy remains an interesting alternative for the treatment of benign diseases.

We thank all the visitors of our [booth no. 1120](#) for their interest.

x-ray treatment units: benefits for the whole range of x-ray therapy
