

Gleanings of ESTRO 2015

24.04.-28.04.2015
3rd ESTRO Forum
Barcelona, Spain

1990 ... 2015
years
[WOLF Medizintechnik GmbH](http://www.wolf-medizintechnik.com)

we exhibited at the **industrial exhibition**

We thank all the visitors of our [booth no. 520](#) for their interest.

Not only that conventional superficial and orthovoltage x-ray therapy remains an interesting alternative for the treatment of benign diseases – it is the better solution for radiation protection for the patient at best economic conditions.
